

# Summer Camp Time!

Over the past few years Kati has organised a trip to the CE campsite in the mountains for the children from the Institution. Because of regulations they are not able to stay overnight but with an early morning start, and late return at night, they make the most of the opportunity. This year Kati also took Grannies from the CE Granny Project. It was a wonderful intergenerational day.

## Kati tells the day's story:

26 children were eagerly waiting to find their seat on the bus; 24 Grannies, 3 Dorcas children and 9 volunteers participated on this day. We started our journey with a prayer and song.

On the way we stopped to walk to the salt hill where the children and Grannies could admire the salt hill and they could taste too. We explained to them how it is possible to have such big a salt hill, and how well God creates nature for people to have anything they need.

# Grace Notes

August 2017

HANNAH works in Romania to bring Hope and Nurture to children and families who struggle to care for their own. The work currently centres around children living in institutional care while building links with their families and communities.

**Hannah's prayer is also HANNAH's prayer ...**

*"There is no one holy like the Lord; there is no one besides you; there is no Rock like our God... He raises the poor from the dust and lifts the needy from the ash heap"*

1 Samuel 2 v 2,8.

HOPE AND NURTURE

NURTURE AND HOPE

After lunchtime, we read a story about the creation of the world. How God created the world, how we were created.

Then we spilt into groups and mixed with the Grannies. Every group got a problem to solve at each 'Day of Creation' station. The collaboration between the grannies and children was amazing. Children encouraged the grannies, grannies the children. Together they celebrated the 7th day of Creation.

By the end of the day the children found a "grandma". They were happy to be with some older people who are full of love for them.

One of the children asked me: "Why doesn't God create an 8th day for camp days like this? Then we could have every week such a good day."

It was a long day and a lot of work for us to handle so many people, but with God, everything is possible. We would like to thank you for your support. With your help we could offer these children and lonely Grannies a blessed day, where they felt that they are important, that they are loved.
