

A visit to the Dentist!

At the Dentist's

While many of us might cringe at the thought of going to the dentist, it's an option many of our children in Romania never get but, thanks to Reni, 14 children were recently checked and helped.

Reni, a new local volunteer, organised the visit when she helped Cristina run the Life Skills programme at the TB Centre while Kati was away recently. What a blessing it is to have people so ready to help and make a difference for these children. Thank you, Reni and Cristina.

Gabi and his mum

Gabi

Kati writes:

"I bought some bread, coffee and Ventolin spray (for asthma). I am always nervous how I will find Gabi's mum.

Thanks to God she is fine, she spends a lot of energy on Gabi as he moves constantly. He likes to have a plastic bag in his hand to shake. Their house was warm enough, and she was giving some soup to Gabi."

Grace Notes

December 2017

HANNAH works in Romania to bring Hope and Nurture to children and families who struggle to care for their own. The work currently centres around children living in institutional care while building links with their families and communities.

Hannah's prayer is also HANNAH's prayer ...

"There is no one holy like the Lord; there is no one besides you; there is no Rock like our God... He raises the poor from the dust and lifts the needy from the ash heap"

1 Samuel 2 v 2,8.

Nelson Supporters celebrate HANNAH's Birthday

Local supporters in Nelson gathered early November for lunch and cake to celebrate 7 years since a group of people from NZ and Romania met in Târgu Mureş and agreed to initiate the work that became HANNAH.

We gave thanks to God for the wonderful people who are involved and support this work including Kati (who does the frontline social work), volunteers, prayer partners, and financial supporters. A big Thank You to all of you.

Kati held a celebration in Romania on Sunday 26 November.

Romanian HANNAH birthday celebration

We are very excited to announce the completion of the HANNAH website which went live in December!

As more and more volunteers visit the work of HANNAH in Romania and want to support and promote the work when they return home to their own country, it became apparent that we needed to have information and contacts readily available to them. So, as well as keeping you up to date, this will enable us to keep in touch around the world, all thanks to information technology!

We will continue to produce the Grace Newsletter but there will also be regular updates on the website, so keep checking in to see what is happening.

Many thanks to Conor who very patiently guided us through the whole process.
